## **SAVE THE DATE- Choreography Camp- August 7th/8th**

We will be continuing with our choreography camp for our PeeWee, Junior and Senior squads. During this time, girls will be taught the choreography for the dance and cheer as well as formations and stunts. (Our flex squad will continue having the junior coaches choreograph the routines). Choreography camp will be August 7th and 8th, 9am- 1pm at Delazier field.

**Please follow us on facebook and instagram to keep up with the latest information.**

## **Field Cheering**

Field cheering is open to everyone through our recreation program. Practices begin the first week of August through the first week of September. Once school begins, practices will be an hour prior to each game. Games are usually Saturday late afternoon/night with JV games being on Sundays. BBYC will be cheering at the JV **HOME** games.(Usually about 4 per season) JV games are not optional. More information will be given as it becomes available.

There will be a **required** choreography camp for all PeeWee, Junior and Senior squads where they will learn their routines prior to the start of practice. Coaches will work the cheerleaders and junior coaches to learn field and halftime routines, stunts and tumbling passes. *Mighty Might routines will be choreographed during their August practice times with their junior coaches.*

The mascots will be assigned to one of the field squads and cheer with the girls on the sidelines in addition to performing a short routine at the beginning of half time. Mascots who have older siblings or friends on other squads may choose to cheer on those squads otherwise most mascots tend to cheer with the Flex squad.
