	○ Schedule	
	■ Flag Schedule TBD	
	Schedule is still being worked on thru Rob. Dana	
	will need the schedule as soon as it is ready so that	
	she can notify the Mascot Cheer parents.	
	The teams Flag will be playing against will not	
	necessarily coincide with the other levels because	
	not every town we play has a flag program.	
	Equipment Review All agricument has been bounded out. There are come.	
	■ All equipment has been handed out. There are some	
	miscellaneous exchanges and adjustments happening. We	
	are still waiting on an order of 30 helmets. Rich was able to	
	get 2 loaners from our distributor. Helmets should be in by	
	mid September. We are in a much better position than	
	other programs. Our order went in in March through our	
	preseason planning and we were able to get enough	

helmets to hand out and start with. Other programs are running into problems getting enough helmets to start. **Question from Natalie Drasheff- Concern with** helmet fitting her son properly with sport goggles. Coaches are working on different options and will continue to strive to find a solution. Helmet needs to fit his head as a priority, so everyone is working to make it fit appropriately. Her boys will swap helmets to see if that is any help. ■ Game Jerseys are for game days, tag day, or days at school as directed by the head coach only. They are not to be worn for any other reason. Practice jerseys can be worn to HS games. Scrimmages ■ Last week PW and SR levels scrimmaged Saddle Brook ■ 8/25 @ Manchester HS- 6 pm PW & Jr, 7:15 Senior ■ 8/29 vs Livingston @ Delazier ■ 9/1 vs Oakland (Game Scrimmage)- PW 6pm, Jr 7:15pm, Sr. 8:30 This will be a game scrimmage with officials. During a board only portion of the meeting, it was voted on and decided that in accordance with the league rule pertaining to weight limits and for the safety of all players, BBYC overweight players will be restricted from play in both Varsity and JV games. BBYC will also no longer allow for other teams to play their restricted players during JV games. ■ Motion: Michelle Jones, 2nd: Lindsay Hedenhag **Rosters-** All coaches are to complete their rosters by Thursday, 8/25 and send to Sean and Lindsay to be included in the League Book. League Books need to be completed and will be needed for Weigh Ins ■ Coaches also need to send rosters to Pete for the Pep Rally and note how they would like to be introduced. ★ CHEERING Dana/Terese Due to the Pep Rally being held a little earlier in the year, the cheer squads may be presenting modified routines as they have not had the same amount of time to prepare as they have had in previous years. • All squads will perform some form of a cheer routine. Mascot Squad Re-Organization ■ Mascots will now cheer for the Flag games due to the large enrollment (about 20 Mascot cheerleaders this year). Well received by parents. Awaiting Flag schedule to share. Sean Memorial will be available to BBYC as of September 18th. Games have been shifted that weekend to accommodate.

		BBYC covers the cost of the photographer.	
	<u> </u>	- 22.0 to tolo the cost of the photographen	

- Parents are asked to cover the cost of the homecoming banner. Last year the cost was \$30.
 Current pricing and ordering information will be available soon.
- Photographer will also be available at Homecoming as we did last year as an optional purchase for 8th grade parents.
- A question was asked by a parent about a photo day for all squads
 - This has been done in the past, but not in the last 5-7 years. It is something that we can look into for next season. Usually what happens is a parent volunteers to take the pics and that day/time is organized by each coach for their own level. At this time there is no organization wide picture day for this season.

Volunteers Needed For:

- Game Day- Chain Crew
 - Coaches have been tasked with finding volunteers for their games. Again, games cannot start with a complete chain crew.
- Announcing/DJ/Music
 - Mike Gogel will be announcing for the Pep Rally and a majority of our home games.
 - Sean will reach out to Rich Dellaripa who has helped us out in the past.

• Registration:

- Status/Numbers
 - Football numbers are the best they have been in about 6 years. 2nd year in a row with large numbers at the Flag level and our Mascot Cheer group is large this year.
 - Lists of signups to be shared with coaches and board
- **★** Dates for September meeting-
 - Meetings are supposed to be on 9/20 and 9/22, but may need to be changed.
 - Busy time of year, so we will be checking school/activity calendars to look out for any conflicts.
